## Did you know there's a windmill just off Brixton Hill?

Recently restored, reopened for free public visits and situated in Windmill Gardens park, this is the last survivor of 12 windmills in the Lambeth area. Brixton Windmill was built in 1816, is a Grade II\* listed building and now faces an exciting new future. **JOIN US.**

## Brixton Windmill needs Friends

In 2010 we secured a Heritage Lottery grant to restore Brixton Windmill to a working mill. We now need to raise additional funds to build an educational centre and transform the surrounding park into an area that will be valued by all the community. Annual FoWG membership is **Family @ £5, Single Adult @ £3, Concessionary @ £1.** (Under 16, Student, Pensioner and Benefit claimant). Please make your cheque payable to the **Friends of Windmill Gardens** and return this form and your subscription to *FoWG Membership Secretary, 33 Renton Close, London SW2 1EY.*
